How to Receive the \$1000 VBSF Workshop Attendance Scholarship

Along with receiving valuable information, **one senior** will be awarded the Vickie Belk Scholarship Foundation (VBSF) Scholarship at the **Path to College & Beyond Workshop**. Additionally, **one junior, one sophomore, and one freshman** will receive a gift card on **February 21, 2026** at the workshop. Applying for the scholarship offered during the VBSF **Path to College & Beyond Workshop** does not prevent eligible students from applying for the Annual VBSF Scholarship. This **completed application** can also serve as the application for the 2026 VBSF Scholarship.

1. Eligibility

Following the steps below will automatically include eligible applicants for an opportunity to receive the **senior scholarship award** or the **junior, sophomore, or freshman gift cards**.

- **Seniors** must **register for workshop, complete** and **submit [VBSF Online Scholarship Application](#)**.
Deadline: February 14, 2026.
- **Juniors, sophomores, and freshman** must **[register for workshop](#)**.
Do not need to complete VBSF application at this time.

- **All registrants must attend** the VBSF Workshop on **February 21, 2026** to receive the VBSF Scholarship or gift card.

At end of the session, all **listed/eligible seniors** are entered for the selection during workshop. *Random selections will be made from eligible registrants. *Winners will be announced On-the-Spot.*

3. One Sophomore \$25.00 Gift Card — Must be a workshop registered sophomore in attendance.

SUMMARY . . . Those eligible are placed in a selection pool (*separated by grade levels*) and **selected randomly** at the end of the workshop session. *After one senior scholarship, one junior, one sophomore & one freshman have been selected for the scholarship and gift cards, the process ends. Applying for the **VBSF Scholarship offered during the Path to College & Beyond Workshop** does not prohibit students from being considered for the Annual VBSF Scholarship.*

- Only **one senior scholarship** will be **granted/awarded** during the workshop.
- Additionally, senior applicants are still eligible for the Annual VBSF Scholarships awarded in June 2026. **Deadline for the Annual VBSF Scholarship submissions is April 25, 2026 —** *No need to reapply if you have applied for the workshop scholarship. All applications will be retained, but **it does not guarantee an automatic award for the June 2026 selections.** All complete senior applications submitted before the deadline will be considered.*
- The senior scholarship award is contingent upon acceptance into a college and appropriate application submissions to the Vickie Belk Scholarship Foundation Committee.
